Limited Eligibility – Early Enrollment is available only to first time members of NEA, excluding student memberships. If you have been a member of NEA in the past, this form will be processed not as an Early Enrollment application, but rather as an application for the 2022-2023 membership year with a membership start date not prior to September 1, 2022.

As a participant in the Local Association/Kansas National Education Association/National Education Association Early Enrollment Membership Incentive Plan, I am eligible to receive – prior to September 1, 2022, but in no event before April 1, 2022 – benefits under the NEA Educators Employment Liability (EEL) Program, as well as access to select NEA Member Benefits programs.

As a condition of eligibility for these benefits, I agree to pay the appropriate unified Active membership dues for the 2022-23 membership year in accordance with established payment procedures. Should I fail to do so, my eligibility to receive benefits under the NEA EEL Program shall immediately terminate. In addition, I shall become liable for the cost of any benefits that were provided to me under the NEA EEL Program prior to September 1, 2022.

This authorization is to continue in force unless revoked by me for a succeeding membership year by giving written notice to that effect to my local association on or before July 31, 2023.
