HOW TO TURN YOUR COMPLETED NEA MICRO-CREDENTIALS INTO GRADUATE LEVEL COLLEGE CREDIT

What are Micro-Credentials?

- ◆ Micro-Credentials offer personalized learning for educators.
- ◆ NEA offers over 100 micro-credentials to educators free of charge.
- ◆ These micro-credentials are educator created and educator reviewed.
- ◆ Micro-credentials are competency-based recognition to support educators developing skills and acquiring knowledge to improve classroom practices that support student success.

To get started

Create Account Go to nea.certificationbank.com and create your account.

Select Browse for topics that interest you. View the micro-credentials by clicking on the image. Select and save the course syllabus. Before you apply...

Confirm Confirm with your district PDC to gain approval for submission as professional development points or graduate-level college credit through Baker University.

Earn Upload and submit evidence required to earn the micro-credential, pass, and receive the micro-credential from NEA.

Apply **KNEA MEMBERS ONLY** process to apply:

1. Access or create your NEA edCommunities account, and request to join the group: "EDC KNEA Micro-Credentials/Baker Univ." The link to apply for graduate-level college credit with Baker University may be found on the group page.
2. Follow the link and complete application.
Tuition: \$70/credit hour
3. Upload evidence of successful micro-credential completion.
Each subtopic equals one graduate level college credit.
